POINT OF ENTRY

"The Bearcat"
Mooreland High School
Mooreland, Oklahoma
Volume 36
1986

Compliments of
Mr. and Mrs. Lowell Hensley

We enter as scared kindergartener's and depart as confident Seniors. The in-between time, though, is what makes each one of us what we are.

Throughout the years, we

have learned how to make and keep friends, how to take life's ups and downs as they come, how to stand on our feet, and most importantly, how to accept ourselves as we are.

The time that we are all to-

gether seems to pass us by each day with increasing speed. Sometimes it is hard to see how much time has gone by until we get to a junction in our lives and glance back at all we have experienced.

P o i n t o f

Life is a voyage in which we choose neither vessel, nor weather, but much can be done in the management of sails and the guidance of the helm.

Entry ...

This is true in each of our lives because none of us can help who we are, but we can determine what we will be. We each have come to an End of Departure and have had to start a new Point of Entry.

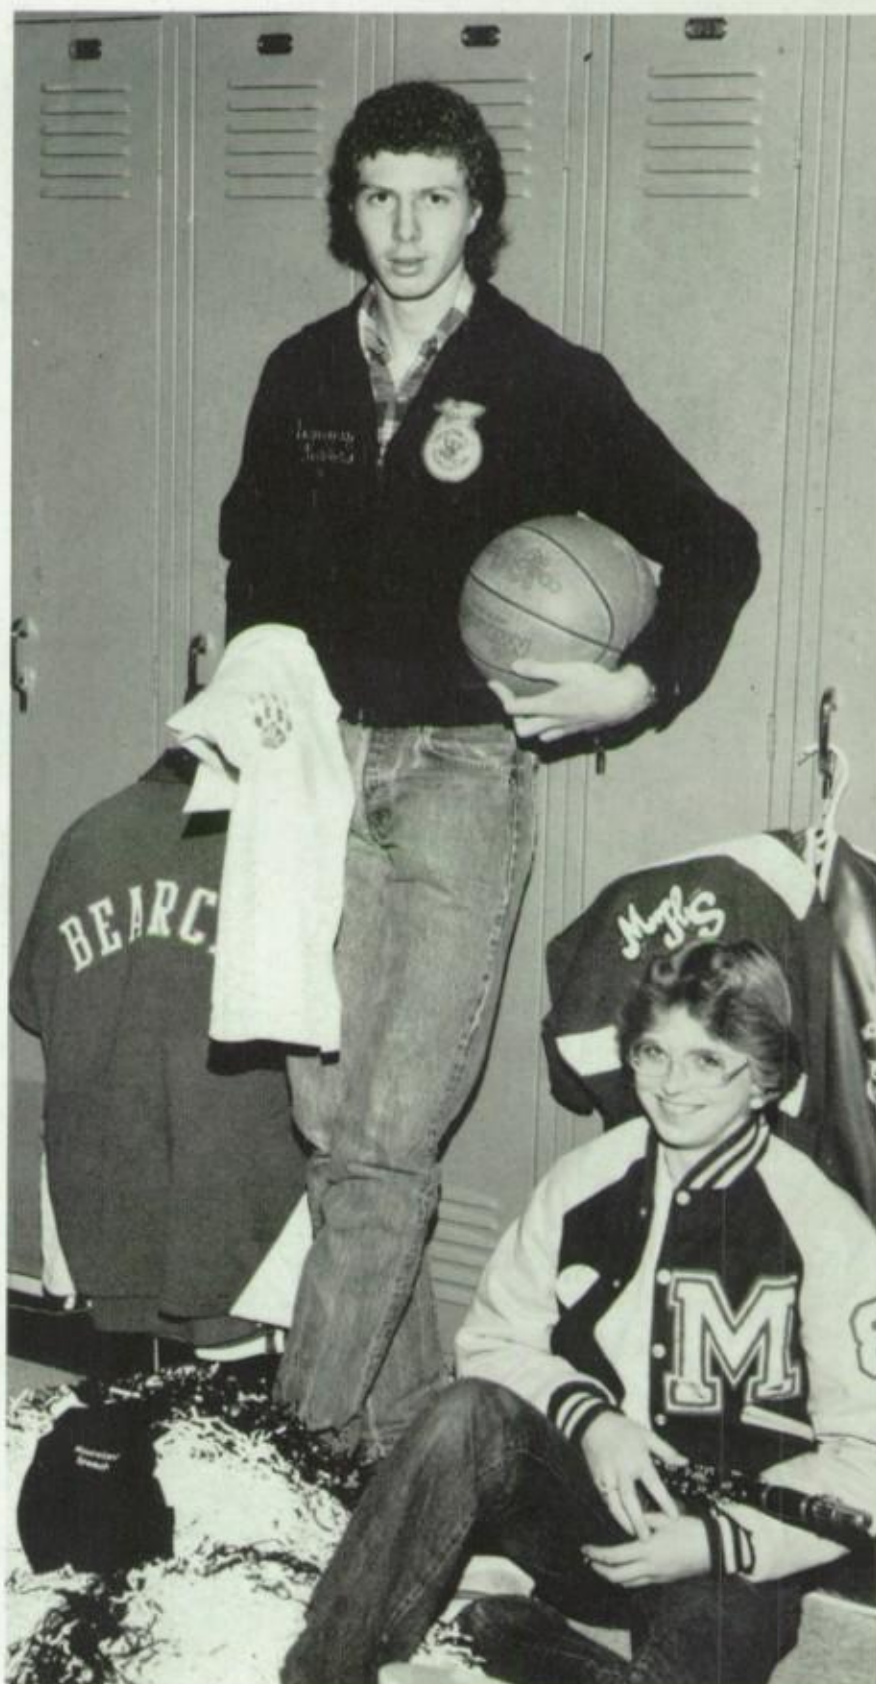

We each have to choose which way we will go.

Our Point of Entry in school may have been entering kindergarten, but our departure is not when we graduate. This is but another road in our

life.

We hope that the footprints we have left at MHS won't be washed away with the waves of time but will carry on to help the lives that we have touched.

... end of

Departure

As we try to capture a few memories of the Entries and Departures in the 1985-86 year, we hope that you will be able to remember some of the good times, too. We have made many Entries and accomplished many Departures.

We have strived together as a school to meet those Departures and to look forward to those Entries. We hope this yearbook will help you to recall the many Entries and Departures of the 1985-86 year.

Now is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning.

WELCOME MR. SELF

Our new superintendent, David Self, made his Point of Entry at Mooreland School this year. The education of today's youth is very important to him. His philosophy of education is "You work hard; you don't intentionally hurt anybody; you try to leave each situation a little better than you found it."

Mr. Self's outside interests include working with his jeep and hunting arrowheads.

He and his family are a welcome addition to our

school and community. Jeanne, his wife, works at the Country Store. Their oldest daughter, Dawn, is a student at NWOSU at Alva. Josh, their son, is a third grader, and Brooke, the youngest daughter, is a second grader.

We, of the yearbook staff, welcome Mr. Self and his family to our school and community.

Mr. Self in his Golden Eagle jeep. Computers, computers, computers...

Mr. David Self

Compliments of
Enid Typewriter Company

The purpose of education is to provide everyone with the opportunity to learn how best he may serve the world.

"I always have liked the Cafeteria's chocolate cake!"

Mr. Self with Sue Grice.

The Self family includes: David, Jeanne, Dawn, Josh, and Brooke.

Mr. & Mrs. Donnie Osborn

Compliments of

Mr. & Mrs. Jack Morgan

Superintendent's Message

We must make individuals realize that success in business and life is not geared to the lack of education. It is dependent on education! Abe Lincoln was not great because he was born in a cabin — but because he was able to get out of it.

We want you as students to come to the point where, in every phase of your life, you will be able to make a moral and responsible choice by asking, What do I think? rather than What does the book say? or What does the teacher say? Whom, then, does society view as educated?

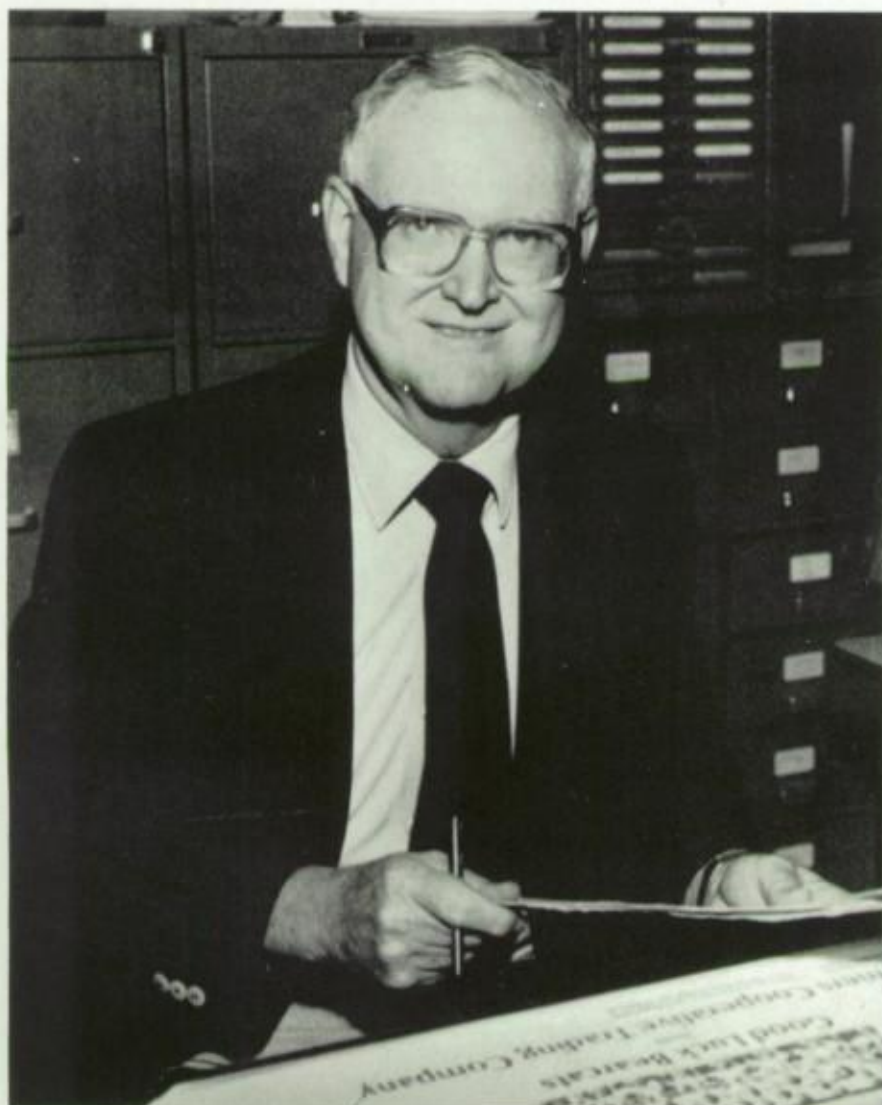

First, those who manage well the circumstances which they encounter day by day; and those who possess a judgment which is accurate in meeting occasions as they arise.

Next, those who are honorable in their dealings with all people, bearing easily what is unpleasant or offensive in others. Furthermore, those who hold their pleasures always under control, and are not unduly overcome by their misfortunes.

Perhaps the most valuable is the ability to make yourself do the thing you have to do when it ought to be done, whether you like it or not. That is something you will acquire from the example of good teachers. To be successful you will learn to apply it to your own actions when the occasion arises. It is gumption at work!

Dedicated To Friends

The friendships we make at MHS are memories that will be forever with us.

From the time we enter kindergarten, we will remember the kindness of Miss Moon and Miss Lewis on the first day of school and the friendships that were started that have grown to remain until our departure from high school.

We'll also remember those special parents and friends in the community who have sponsored us on trips and helped in various organizational activities; that special person in the class who helped keep the class going and was an example to follow; Mr. Morgan who has helped MHS stay together and runs smoothly for so many years.

We say thanks for all the friendships of teachers, fellow students, and community members.

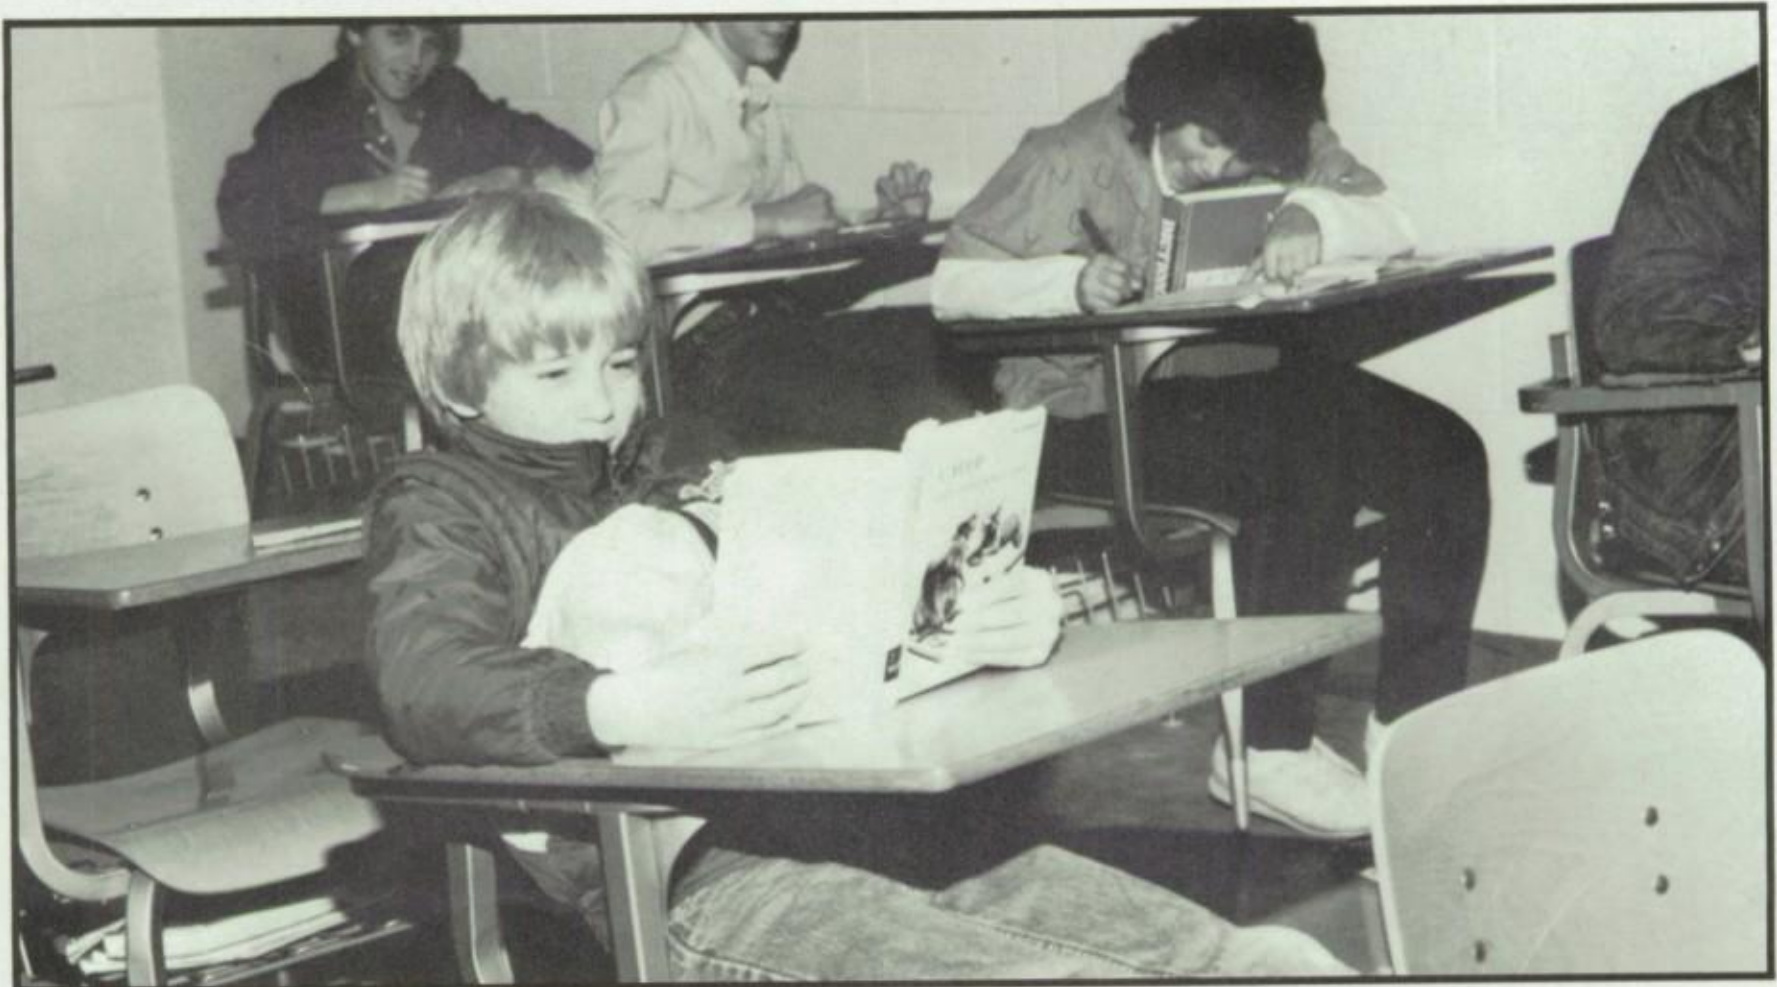

Friendship is the key that unlocks the door to happiness.

School years are made up of many "Points of Entry" and many "Ends of Departure." Some are sad and some are happy. Others are just plain everyday things that, except for the pages of this yearbook, would be forever forgotten in time.

It is our hope that as you look through the pages of this book, whether it be ten years or fifty years from now, your thoughts and feelings will be swept back to this year. Sit back and allow your feelings to flow as they did at the very moment the memories in this book were created.

If it is a happy moment, give a little smile or even a small laugh. If it is a sad moment, feel once again the hurt you felt when it first happened.

Memories are emotions and emotions are memories and never shall the two be separated. Enter with us at the first "Point of Entry," the beginning of the school year, and relive all the many "Points of Entry" and "Ends of Departure" up through the saddest "End of Departure," Graduation Day.

Most of all, as you read this book, remember the special friends with whom you created these special memories. If you explore this book with the same emotion as it was created with, you will find it was well worth the investment.

PREPARING FOR DEPARTURE

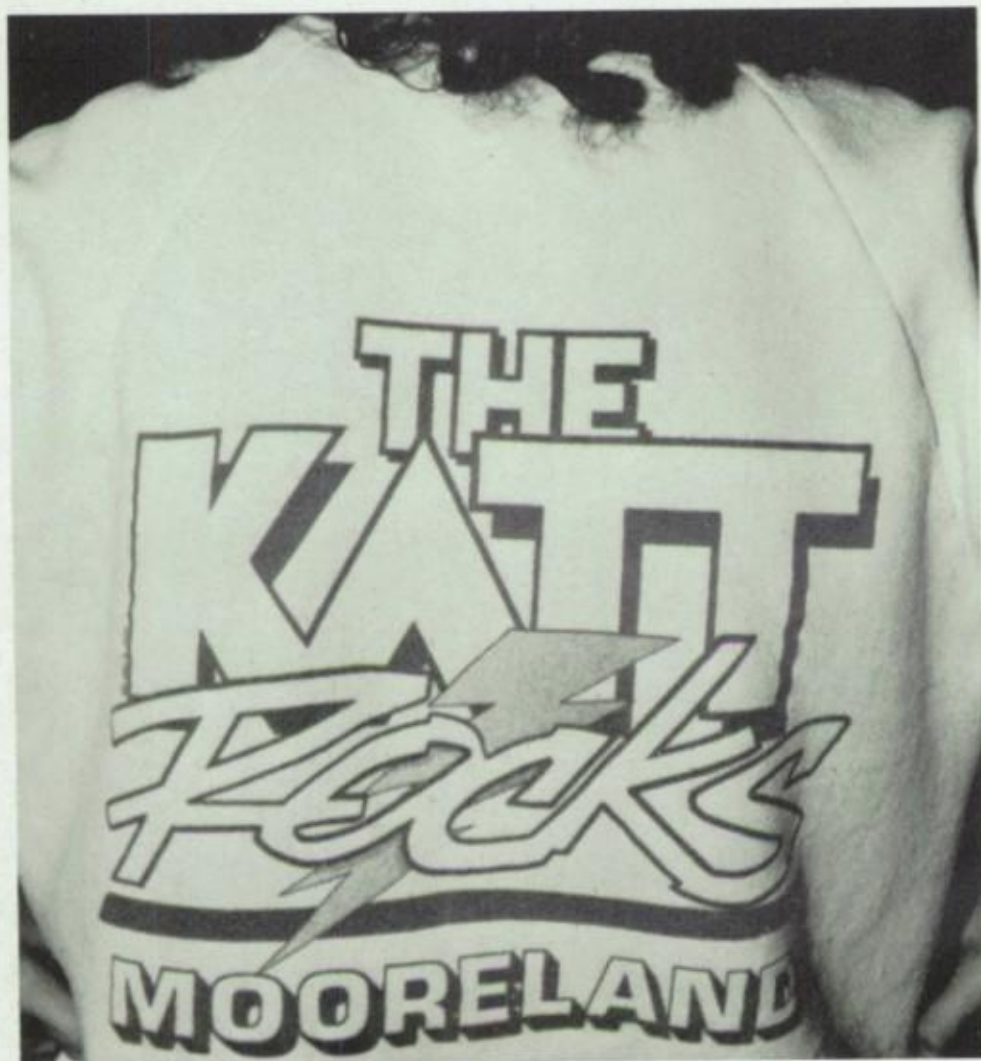

Compliments of

Razien Metals Co.

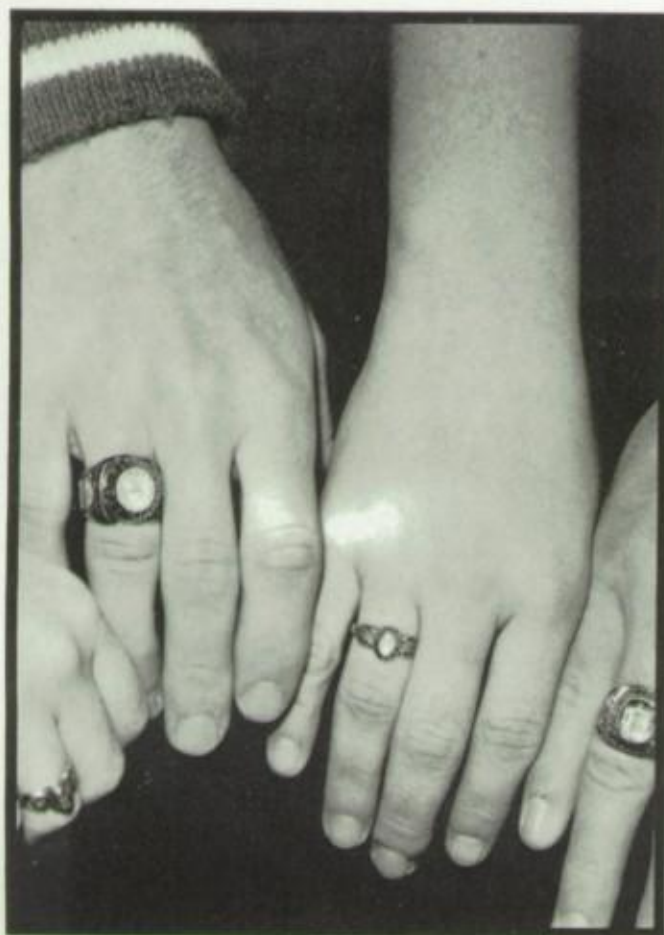

Fisher Grain

As we go through high school and life, we are preparing for departure by completing different classes. Though we enjoy the pleasures of new clothes (KATT shirts) and new cuts (Bosworth), we still must endure all trials and tribulations. Passing fads and friends are "classes" just the same as high school classes. Every class gives us more knowledge needed for our future and is another step towards departure. Each time we

meet our requirements for one class, we are graduated into another. As departure from high school becomes a reality, it is actually a new entry into new classes of life. New classes of life may consist of college, work, or marriage; but, we are forever involved in classes. Our biggest and most difficult class change may be our entry into the real world after school.

Compliments of
Billings-Knittel Funeral Home
Mr. and Mrs. Harry Billings

The Juniors have traveled a road through school that has had its fun times, and yet, they have experienced the bumps along the way, too. They have received their class rings, which even with their newness, show signs of an end not so far in the distance. With the first beginning pulls of responsibility, the Juniors grab their books and study a little harder as they realize the importance of good grades. Most everything they have done this year has pointed out that they are "Almost to an End."

- No. 1. — A few Juniors show-off their brand new class rings.

The word Sophomore brings to mind a wide variety of thoughts, most of which, to a Sophomore anyway, sound great. High school activities, sweet sixteen, driving, dating, and the prom are all part of the good things. But, then there's getting a job to make the car go, not to mention the dating, and now the first signs of how expensive high school can really be begin to surface. Ordering class rings and having a chance to go to the prom are on the list of things a student will do to "Begin the End."

THE MINI

The Mini Bearcats really jumped off to a great start this year. They were full of enthusiasm and ready to go to work. Many contest and activities were held and the variety ranged from a dog howling contest, held by the

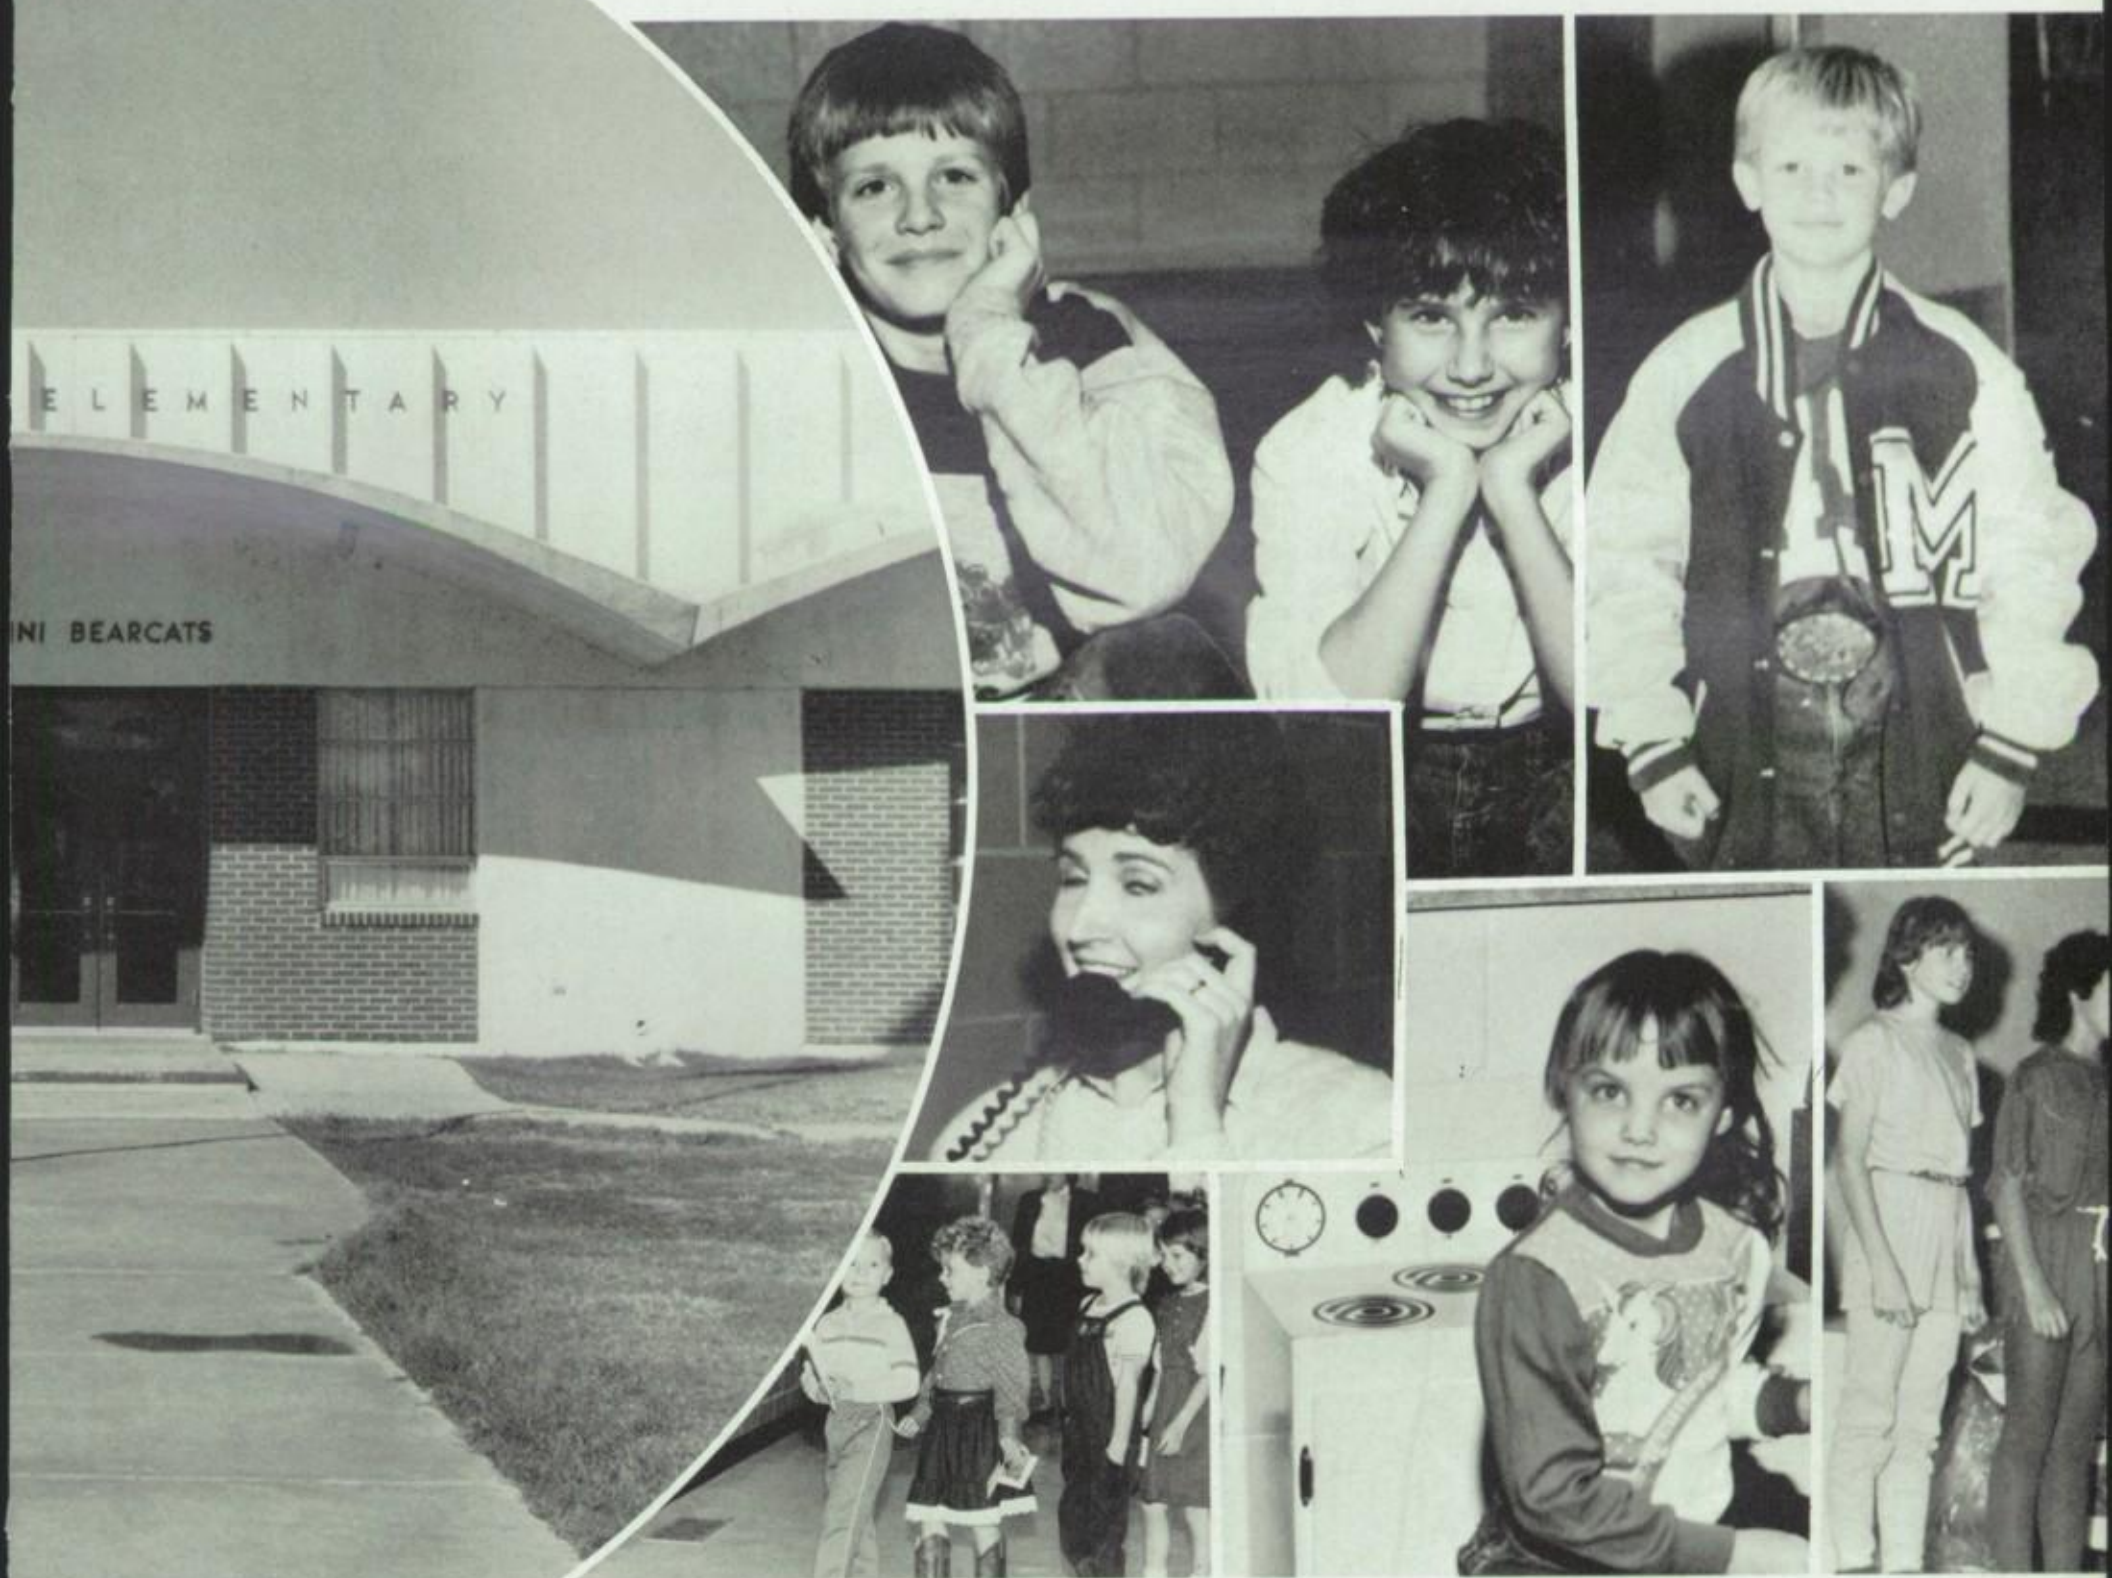

fourth grade, to stock shows, poster and coloring contest, to track meets, to kite flying contests, held by the fifth grade, to the music contest at Seiling.

The Mini Bearcat Band went to a band contest for the first time this year. They received a

superior rating to add to Mooreland's fine collection and were very pleased with their performance.

Fifth grade's Mayling Tu won the local and County

BEARCATS

Spelling Bee, with Sixth Grade's Angeline Tu coming in second. They made their way to the Regional Spelling Bee which was held in Amarillo, Texas. The girls basketball team completed their season with four wins

Pizza Hut

and seven losses. The boy's basketball team completed their season with four wins and seven losses.

Pat Hosier and Monica Webb were awarded the Presidential Fitness award.

The grade school students

Compliments of Mooreland Methodist Church

anticipated each and every moment as the year passed by. They enjoyed learning in the Media Center, eating the delicious meals provided by the fine cooks, being with their friends, and, of course, recess.

With the help of the "Cat Clause" staff the grade school students published their own newspaper. It consisted of 69 pages and had articles from each class. The paper was called the "Cub Clause" and it proved to be successful. There were 325 copies printed and distributed.

As the year came to an end each class looked forward to the entrance they would be making next. For some, the entrance would be into the next grade, but for others the entrance led to a world unknown to anyone but themselves. The sixth graders were departing from the grade school and entering into junior high. But the memories from the past would be with them forever.

"Far away, there in the sunshine are my highest aspirations. I may not reach them, but I can look up and see their beauty, believe in them, and try to follow where they lead."

The sixth grade holds the meaning of ending a long struggle through good times and bad. Especially making new friends and leaving some of them, to graduate on to bigger and better things.

- (2) "This is the secret to the meaning of life."
- (5) "... and then there was this talking dog..."
- (6) "I'm too cute to be responsible."
- (8) "Gosh Mr. Cooper, how do you expect me to do this math without a computer?"

They have important dreams to follow. They must show leadership and inspiration to those who will follow in their footsteps.

Congratulations on a job well done!!

"There is no greater challenge than to challenge yourself."

The fifth grade has "soared to new heights" this year with their kite projects.

- (2) "Something's wrong here, this pen just keeps falling apart."
- (3) "Smile guys or you'll stay after school and do five extra assignments."
- (4) Sammy and Kevin spend most of their time here — in the cafeteria.

They are also getting accustomed to a new teacher after Mrs. Neal retired. She will be greatly missed. But she was replaced with a fine instructor, Mrs. Rhenda Wines.

These students are now facing some of the biggest challenges of their lives. To be successful in school and everything they do are some of the biggest challenges they will face.

With some help and guidance they will overcome these challenges and win the long struggle.

"It is only through change that we grow."

The fourth grade has had a very inspiring year. They've learned a lot of new things that are both interesting and enjoyable. Dogs seemed to have been the main topic of interest.

This is the time in their lives when changes will be made; growing will take place. Certain things will happen in their lives that could foretell parts of their future. This time is very important so they should be encouraged to use it to the fullest.

"True happiness comes when you can look at yourself and like what you see."

The third grade is like the center, the middle, the beginning and the ending of halfway through. They have great memories of the past years and great expectations of the future years.

They begin to realize that life grows hard and that decisions have to be made.

These children can be very proud of themselves. With the help of our community and educational system and a little hard work of their own, they will grow up to be fine human beings. They've already gotten a great head start.

"Dreams are the touchstone of our characters."

The second graders have developed many characteristics. The class clown, the athlete, the studious and the flirtatious.

Yet, these characteristics are molded by the environment around them.

No one knows as of yet what these students will grow up to be — the class clown, a comedian; the athlete, a Chicago Bears' linebacker or a center for the Lakers'; the studious, a professor or a politician; the flirtatious, a model or a movie star.

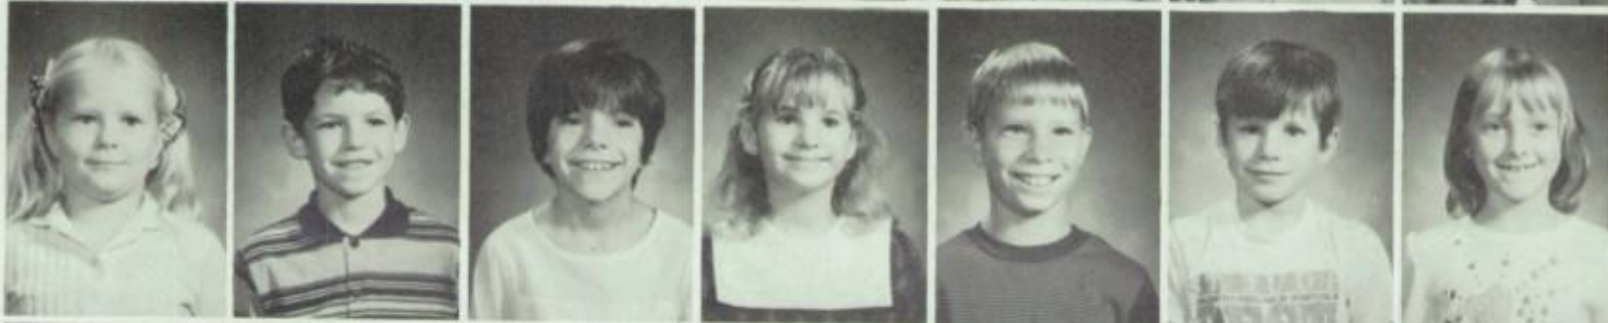

Whatever the case may be, these children are our future and everyone must help to make sure that their dreams will be fulfilled and that their characters are molded to perfection.

"Great visions often start with small dreams."

The first grade is full of expectations. The children are expected to know their manners and how to behave.

They are always being asked, "What do you want to be when you grow up?" A fireman, policeman or nurse have usually been the answers.

But times have changed. In this day and age the dreams of future careers are larger.

The children of today need all the help they can get to make the right choices in life and with an excellent education and school system the task won't be so hard.

"The expert in anything was once a beginner."

The 1985-86 kindergarten classes have added a very special touch to the grade school this year.

Their future starts here, in this building, in this classroom. And no matter what grade or age, they will always be leaders: Leaders to those who will follow in their footsteps. Those who will sit in the very same desk and play with the very same toys and walk through the very same floor every morning or afternoon. Those who can look up proudly and say, "A leader of my future sat here."

fect it had on the people of our community. It drew them together and changed the lives of many forever. The 1985 Bearcats will never forget those very special moments. The happy times, the sad times, the meal times, and the game times, will all be memories that will not soon be forgotten. The sorrow and remorse of defeat and the joy and jubilation of sweet victory will live on forever within the pages of this book and within the minds of the people who read these pages and allow their emotions to flow as they did during this season and ultimately as they did the night when we won the Championship.

Most everyone has heard the saying, "A picture is worth a thousand words." The picture at the top right is truly worth a thousand words and probably many thousands more. To us it is everything we stood for and everything we hoped for. It is a tribute to a wealth of talent the team possessed and to the devoted support of a great community.

When you combine a fine staff of coaches, a team of talented and dedicated athletes, and the loyal support of hundreds of very devoted fans, the results are always exciting and heart-touching.

When you reflect back on this very special season, you see much more than a successful team. You see the af-

Bearcats Capture District Crown

Although we fell short of our ultimate goal to be the 1985 State Champions, our season was very successful. Winning a district Championship, placing all the Seniors on the All-District team, seeing several of our teammates realize their lifetime dreams as they move on to play college football, and many other awards and honors are enough for any team to be proud of, and proud we are.

In any one season, there are many "Points of Entry" and

many "Ends of Departure." Many are happy times, a few are moments of bitter sadness and defeat. We had the extremes of both. We entered the playoffs with zeal, determination, and excitement for the game of football, and we entered the locker room for the last time as we, in extreme agony fell short of our goal. Probably the most memorable are the Ends. No one will ever be able to forget the overwhelming happiness we shared after we won the District Championship. The tears of jubilation it brought to fans, parents and players alike. It was an emotional high that will probably never meet an equal. In much the same way is the emotional low we felt at Homecoming. We never relished the slightest thought of losing but losing

in the final seconds brought a different kind of emotion. Sure, the tears were there, but in the agony of defeat.

But in the end it will be the good times that will stick out in our memories. All the team meetings, the special meals that parents and fans provided, and the victory celebrations in the locker rooms will always be the memories of a great season.

In our "Point of Entry" we were many individuals, but through a season of a lot of good times and a few bad times, a common bond developed, and in the final "End of Departure" that many had become one.

I'LL GET 'EM!!

Sr. High Boys

Coming off of a great football season, we were riding very high. Making the transition to roundball went very smoothly. We wanted to prove ourselves in basketball also, and we did by beating Sharon-Mutual for the District Championship.

Although we had a 10-12 record, we did make it to the Regional Tournament. We traveled to Turpin to play Texhoma and were beaten. In the second round we played Vici at Woodward and were eliminated.

The season came to a close with ten seniors departing. These ten young men will always remember the final buzzer of that last game.

SR. HIGH GIRLS

After losing eight team members to graduation, the 1985-86 year was a time of rebuilding for the Lady Bearcats. A new coach, Steve Hoffsommer, took on this task. Although their record was only 4-15, many of the players gained some very valuable experience. Each member of the team worked hard and contributed of herself to improve the team as the year went on.

Sr. High Track

As we started track, nobody knew our potential but Coach Green. Each day he would tell us the ability we had as individuals and as a team. We as students didn't realize what potential we had until we won the Regional meet at Forgan.

We did very well at the State meet as a team. We placed third overall in Class B, which is MHS's best finish ever. Individual placings at State are as follows: Lance, first in the 110 high hurdles and second in the long jump; Kelly, fifth in the 110 high hurdles; Jay, seventh in the 100 meter dash; Phillip, sixth in the 800 meter run; Brian, eighth in the 800 meter run; Phillip, Dwayne, Bart, and Brian, fifth in the two mile relay; Jay, Lance, Jason, and Kelly, first in the 400 meter relay.

1. Mooreland's State Champion 400 meter relay team, Jason, Jay, Lance, and Kelly.
2. Dwayne, Bart, Brian and Phillip placed fifth in the two mile relay at state.
3. Lance and Dwayne running the mile relay.

Compliments of Ideal Supermarket

The girls' track team was a very small one. It consisted of one senior, two sophomores and one freshman. Michele was the only senior. Gwen Everhart and Amy Schlarb were the sophomores, and Tina Marshall was the freshman.

Only two of the girls went to state. Michele placed fifth at state in the mile run with a time of 5:45. Tina qualified for state in the 400 meter dash but did not make it into the finals.

1. Who's face is the ugliest?

2. Michele's look of determination.

3. Front Row, left to right: Michele Kendall, Tina Marshall, Jason Hensley, Dwayne Cooper. Back row: Bart Bouse, Brian Bouse, Phillip Ludwyck, Kelly Newman, Jay Schnobelen, Lance Noble. Not pictured: Amy Schlarb and Gwen Everhart.

AND THE WINNER IS!

The Annual All-Sports Association Awards Banquet was evidence as to the fine year Moorelands Athletic program has had. The evening included Coach Paul Hansen as the speaker, and the presentation of many awards.

It was a special evening in many ways. Many athletes said "Good-bye" to a career they loved so much, while others began making plans to top the years accomplishments. State Champions were honored and departing seniors were given even more reasons to be proud to have played for MHS

Junior High Track

This year the coaches were really impressed with the number of kids that went out for track and the kind of effort the kids put into it. Several of the freshmen ran at Senior High track meets. Jason Hensley qualified for state in the Sr. High 440 relay. They won state in this event. Jason also ran in the mile relay at state. Good job Junior High!

STUDENT COUNCIL

Student Council members stayed busy this year helping with many school activities.

They helped with the coronations of the football and basketball queens and Miss Mooreland.

Members of the Student Council were hosts and hostesses to the visiting representatives for Career Day. They also provided the refreshments that were served to these visitors to our school.

The Big One Drive is one of the Student Council's main activities. This year, the money was raised for a new sound system in the auditorium. \$848.45 was collected, and the Juniors won the class competition in raising money.

Other activities sponsored by the Student Council were the school Christmas party and the selection of candidates for Mr. and Miss Bearcat.

4-H

Mooreland 4-Her's were very busy this year.

Mooreland took three of the top four placings at the County Share-the-Run contest. Scott Osborn was Champion Individual; BaLinda Stuckey was Reserve Champion Individual; Debra Butler, Stacy Butler, Roxie Russell, Tasha Harmon, Monica Reid, and BaLinda Stuckey comprised the Champion Group and also won second place at District.

Robby Hedges did well at the County, District, and State Trap Shoot.

BaLinda Stuckey was on the second place meet science team at District and State and ninth individual at District.

Debra Butler was chosen as a delegate to Washington D.C. to attend the Citizenship Focus Conference.

The 1985-86 year was very rewarding for the Mooreland 4-H Club.

FFA

FFA activities included Oklahoma Swine Field Day, the Mooreland and Woodward Fairs, Laverne Prospect Barrow Show, National FFA Week, Mooreland Spring Shows, OKC Spring Show, State FFA Interscholastics, and several leadership activities.

Debra Butler was crowned FFA queen at the Parent and Member banquet. Kelly Newman was awarded the DeKalab award and Outstanding Senior award. Lance Hensley was the Star Greenhand. The Star Agribusinessman was Dallett Maddux. Brian Bouse was the Star Chapter Farmer and the Outstanding FFA member.

A first for the Mooreland FFA banquet was Meniesa Ransom, a female state FFA officer. She was the guest speaker at the banquet.

Honorary members for this year were Ralph Zerger, Merve Compton and Wilbur Ramey.

Lance, Kent, Sloane and John.

FHA

Many activities have kept FHA members busy all year.

In August, we had our rush party to initiate the Freshman.

Our September meeting consisted of Jane Nickelson leading us in aerobic exercises.

Many schools came on September 23rd to participate in the Sub-District rally at our

school.

In October, we had a party with the FFA at Boiling Springs.

Our next meeting was with several career ladies who told us about their lives after high school. We also sold mums for Homecoming and gifts.

Our December meeting was a Christmas Party at the grade school cafeteria.

In January, Woodward and Mooreland FHA cooperated to presented a Prom Dress Parade. Many businesses helped.

Our Family Night was held in February with Reverend Stephenson as the speaker. We also sold carnations for Valentine's Day.

We elected officers in March and installed them in April.

We also attended the State FHA Convention in April. We went to Quail Springs Mall on Thursday night and after the Convention Friday, we ate at Crystals.

Kimberely Ludwyck working out!

Compliments of the Band

Maestro Ralph Pantalone

BAND

The band enjoyed another good year of playing. The marching band entertained the fans at the football games with help from the drill team. Songs like "Barbara Ann," "I Get Excited," and the ever faithful school song were part of the entertainment.

The Marching Parade Band received a I in the Tri-State Parade and 2nd place in their class. The Flag Corps did a fine job at the football and basketball games and parades.

The Concert Band kept up the tradition of playing tough music by performing the 4A pieces of "Einzugs Marsch" and Meditation and Festiva." After qualifying for State 28 years in succession, this year the concert band received a II+ at District. They also went to Tri-State later in the year and received another II+.

The Pep Band blasted it's way through the basketball season pleasing the crowd. To prove how well they did their job they were invited to play at the 1986 Class A & B State Basketball Tournament for the 8th year.

The State Band definitely had the best record for the year. They went to State, received a I rating, and claimed the 2nd Runner-up State plaque. At Tri-State, they received another I rating.

Mooreland Concert Band

Compliments of Ralph, Collette, Nick & Ralph Pantalone

VOCAL MUSIC

The Vocal Music Department had a fine year as well as the band. We had many Solos and Ensembles receive Superior ratings at District, State and Tri-State.

Nick Pantalone and Jay Schnoebelen received a I on their vocal duet at District, State, and Tri-State.

The Boys and Girls Glee Club both received a I at Tri-State and the Mixed Chorus earned a II+.

STAGE BAND

PEP BAND

BAND AWARDS

Nick Pantalone received the Outstanding Band and Vocal Award for 1986. Nick made All-State Vocalist in 1984-85. He has earned a total of 60 Superior medals in Vocal and Instrumental music. Nick has sung the National Anthem at football and basketball games plus at the State Basketball Tournament. He has been a featured soloist in the Stage Band from the 8th grade through his Senior year. He also received the Senior All-American Hall of Fame Band Honor.

FLAG CORPS

The Flag Corps was one of the many good characteristics the Mooreland band had. Each member of the Flag Corps contributed their share to make the band look their best at all the football games and at the Homecoming parade.

One of the craziest songs was "Barbara Ann" and some of the steps performed during this song were taken from the 50's and 60's. "The Twist" and "The Swim" were two of the many steps that were performed in the routine. "Apache," and "I'm So Excited" were other songs that were enjoyed by the Flag Corps and the fans as well.

SCIENCE CLUB

Member of the Science Club were very active this year.

Field trips to the Omniplex and the Air Space Museum in Oklahoma City and Vande Air Force Base in Enid were taken.

Participating in the Engineering Fair at the Omniplex in Oklahoma were Phillip Ludwyck with a toothpick bridge and Bart Bouse with a ping pong ball launcher.

Mooreland took part

in the Regional Science Fair at Alva. Troy Thompson won second in the category for biochemistry, medicine, and health; this enabled him to go on to state competition at

Ada where he won third.

His project also won the Outstanding Project Award from the U.S. Marine Corps and the U.S. Air Force at Alva.

Miss Mooreland

Miss Mooreland was a very memorable event this year. It began with the learning of new ways for everyone. Each one of us got to know one another better, and it drew us closer as we all worked to help each other. There were so many people there who helped us to look and to act in the best way we could. Special thanks go out to all of those people.

The night of Miss Mooreland began with everyone full of nerves and wondering how everything was going to end. Everyone worried if she could make it through the night of performing before the audience and walking down and up the dreaded stairs.

For most of us, this was a new and unique experience. We will always cherish the memories we shared with each other at this time.

Bitter-sweet Memories

Homecoming '85 began with the excitement that grew throughout the week. The different activities helped to keep the spirits high. They were the preparations for the bonfire, the parade, the game, and the Alumni activities. There were also the decorations for the halls, the mum sales, and the food for the football boys. All in all, it was a very exciting and busy time for everyone.

The final day ended with the crowning of the queen. Patricia Stubbs was crowned Queen and Jay Schnobelen was given the title of King.

The game against the Medford Cardinals was an exciting one. And although we lost 6-7, we will always remember the memories that were made during the Homecoming of 1986.

All Around Boy and Girl

All Around Boy and Girl for 1986 are Curtis Mayfield and Michele Kendall. They were nominated and then chosen by the faculty.

Curtis has been active in football, basketball, vocal music, paper staff, and yearbook where he is business manager.

Michele has been involved in Flag Corps and speech. She is also co-editor of the yearbook.

Michele Kendall and Curtis Mayfield

Compliments of Glen & June Kenall

MEMORIES '86

The 1985-86 school year got off to the usual start. There were new students, new teachers, the usual students, and most of all a new group of Seniors.

This year there were quite a few different things happening, some of them were sad and some joyful. But all in all we still wish to remember all these things. So many things happened that it would be impossible to list everything, but the yearbook staff wishes to list a few of these that happened locally, statewide, and nationwide so that we can always treasure them in our hearts.

Locally we saw the close of the Union Carbide plant, the final closing of the community hospital, the opening of U.S. Steel in Woodward, the football boys winning District Champs, and the sports program as a whole doing great things all year. We saw friends move in and friends move away. We saw new businesses come in and old businesses go out. We also saw the loss of friends when tragedy struck.

Statewide we saw new laws passed on tobacco, seat belts, and race tracks being brought into the state. We saw the tragedy that held the families in Edmond in its grip when tornadoes struck down over fifty homes.

Nationwide we saw many different things happen. President Reagan and Russia's Gorbachov held peace talks in Geneva that turned out very favorably. We saw Hally's Comet return. We saw the banning of advertising chewing tobacco and snuff on radio and television. The year 1986 was declared the Year of Peace, but we saw Moammar Khadafy declare war on the United States. We saw Ronald Reagan fighting back for what he believed was right.

In sports we saw Pete Rose break Ty Cobb's record, Chicago Bears win Super Bowl XX, Kansas City winning the World Series, and the University of Louisville winning NCAA basketball championship.

Then came the tragedies, and it seems that this year was filled with them. There were plane crashes, train wrecks, bus wrecks, landslides, earthquakes, and the list goes on. There was the Achille Lauro hijacking. There was the plane crash that killed 248 U.S. soldiers, the "El Grande" quake in Mexico City, and then there was the tragedy that really hit America hardest, the explosion of the space shuttle Challenger which killed the seven people aboard including schoolteacher Christa McAuliffe.

This year could almost be termed the Year of the Tragedies, but through it all everyone has kept their heads up and moved on toward better things. People have dwelled on the good instead of the bad and this has made everything look brighter for our future to come.

We hope that this helps you in the years to come when you glance back to remember. We may not have listed everything, but we have tried to remember those things that have touched our hearts the most.

SPEECH

Speech began very differently this year. First, there was the Speech class, which consisted of six people. Then, there was the competing Speech team, which consisted of eight people outside of speech class.

There were also several students outside of speech class involved in the One-Act play this year. Although they didn't qualify, MHS is still proud of the job they did.

The Speech class does various things throughout the year that sometimes go unnoticed, such as the scenery for Miss Mooreland, the All-School play, and FHA Prom Dress Parade.

The Speech year ended sadly for those who will not compete again as high school students. But we will always remember the things we learned which will help us in our future life.
